Motivation Type	Intrinsic Motivation	Extrinsic Motivation	Amotivation
Motivation Source	Internal source of motivation.	External source of motivation.	Absence of motivation.
	Motivated for reasons such as interest, enjoyment, pleasure and satisfaction.	Motivated for reasons such as to gain a reward or avoid punishment.	Not motivated to engage in or continue goal-directed behaviour due to complete lack of motivation.
Motivated Behaviour Example	I will study for this exam because I really enjoy the content and reading makes me feel relaxed.	I will study for this exam because if I don't I will receive a bad grade.	I will not study for this exam because I don't want to study.

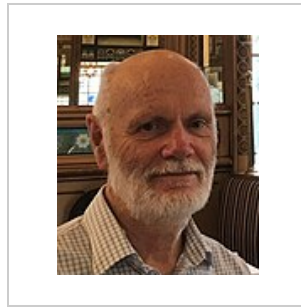

Amotivation Extrinsic Motivation and Intrinsic Motivaiton Table.jpg
