[About portals](#) · [Portals category](#) · [Random portal](#)

[Portals](#) complement main topics in Wikipedia, and expand upon topics by introducing the reader to key articles, images, and categories that further describe the subject and its related topics. Portals also assist in helping editors to find related projects and things they can do to improve Wikipedia, and provide a unique way to navigate Wikipedia topics.

At present, there are 555 portals.

You can also use the [Special:Search](#) box below to locate Portals and sub-pages.
