Meta-Wiki

Welcome to Meta-Wiki, the global community site for the Wikimedia Foundation's projects and related projects, from coordination and documentation to planning and analysis.

Other meta-focused wikis such as Wikimedia Outreach are specialized projects that have their roots in Meta-Wiki. Related discussions also take place on Wikimedia mailing lists (particularly **wikimedia-l**, with its low-traffic equivalent WikimediaAnnounce), IRC channels on Libera, individual wikis of Wikimedia affiliates, and other places.
