Search in new ways

Download the Google app

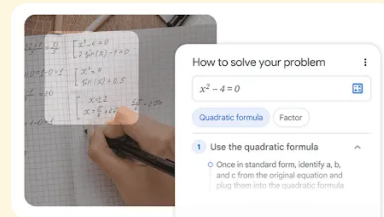

CIRCLE TO SEARCH

Circle, highlight or tap to search anything on your Android device.

HOW SEARCH WORKS

Get the details on how Search works — from the approach we take, to the technology behind it.

LENS

Go beyond words: Search with your camera, an image or whatever's on your screen.

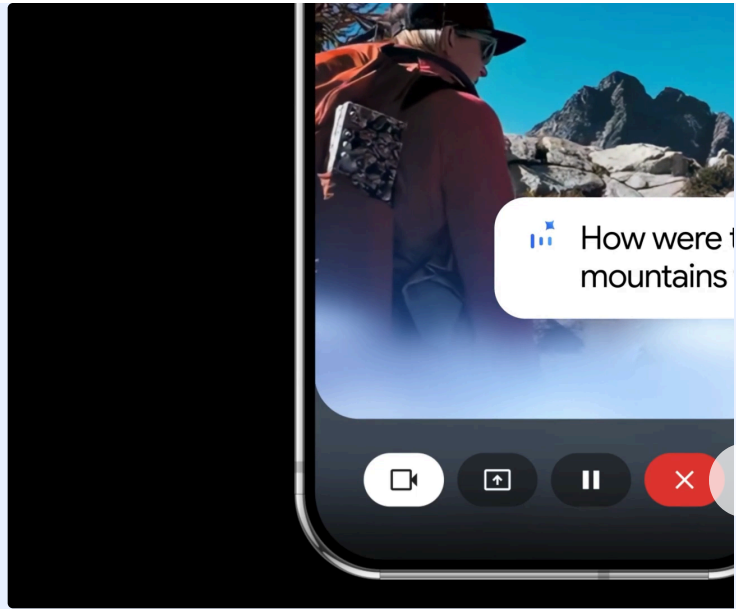

AI MODE

Ask anything and get an AI-powered response. Then, keep exploring with follow-up questions and web links.

Chat with Gemini, your personal AI assistant

Try it now

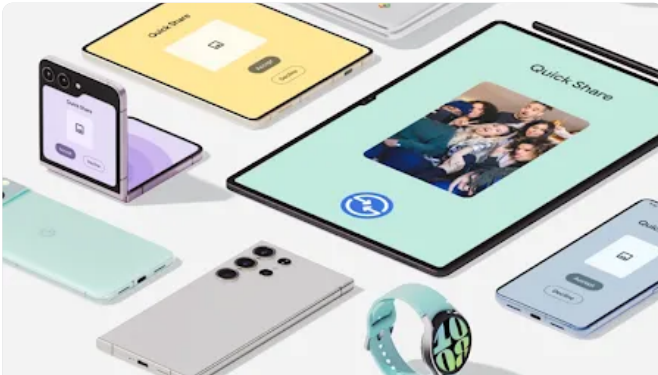

Gemini Live

Have a conversation about anything around you or on your screen.

Talk it out

Get more done with Android and Pixel

All things Android

Check out a whole world of devices that work better together, plus AI features to help throughout your day.

[See what's new](#)

Our Pixel portfolio

See the latest Pixel lineup — from phones and watches, to earbuds and tablets.
