Apple_sux_a\$\$

This app does the most thorough scan for devices that Bluetooth detects. I have used many other tools in the past and none

Developer Response

Thanks for your review. I've added mo

Found my lost sensor

★★★★★

08/06/2025

Seattle11

I have over 30 Govee temperature sensors. I name them by the location I put them in. Well I lost track of one sensor because it got switched with another sensor when I was changing the batteries. Then that

Premium Bluetooth application

★★★★☆

I really liked this application. It a dumps data from nearby device. Everything the description state it really does but here are the ap short comings...while the descri
