As a parent, this watch has been a game-changer. The peace of mind that comes with knowing where my 8-year-old daughter is at all times is invaluable. The ability to communicate with her direct [more](#)

Good but room for improvement

★★★★☆

Provides the necessities for our able to reach them via text or ca the app). And has fun games. Bu great features that were availabl (Verizon kids watch) are lacking

What's New >

* Move Goal - view up to 4 weeks of your child's movement data in the Movement page.

* Lunch Break - temporarily pause school mode for a selected period each day to encourage movement during recess.
