Before you post your comment or question . . .

1. Messages can be given in any language including Tibetan, although few contributors to Tibetan Wikipedia are fluent in languages other than Tibetan and English.
2. Brief and precise messages are encouraged.
3. Please **do not copy and paste text, even from other Wikimedia projects**. Place a link to the text instead.
4. Please do not post personal information, such as your email address.
5. Users who speak English are found [here](#) and those who speak Tibetan are found [here](#).

6. You are welcome to give us advice or suggestions about the Tibetan Wikipedia.
7. You can ask anything about the Tibetan language and Tibetan culture.
8. Once again, questions, comments or messages go here (https://bo.wikipedia.org/w/index.php?title=Wikipedia:Guestbook_for_non-Tibetan-speaker&action=edit§ion=new).
9. To download a Tibetan font, please visit Google Noto (<https://fonts.google.com/noto/specimen/Noto+Serif+Tibetan>), then click "Get Font", then "Download all".
