Connect with a GEG in your community

Google Educator Groups (GEGs) are a place for you, as an individual person and online—to share, collaborate, and learn from others using technology to drive student success. Join a local GEG or our global online community or search for a GEG in your area.

or a school administrator, there is a place for you in our community. We invite you to join the conversation! Please take a moment to review the [GEG Code of Conduct](#) before you get started.

passionate volunteer educators and managed independently to best serve its local community.

Free of charge online and offline events

All GEG events are free of charge, whether you're following updates and events online, or meeting in person at an upcoming GEG event near you.

Join a global movement at a local level

Connect with educators near you and around the world who are leading the way with Google tools.

Explore the world of Google Educator Groups (GEGs)!

Start a GEG: Ready to build a vibrant community of educators passionate about technology? Find resources and guidance on starting your own GEG [here](#).

Join a GEG: Explore the interactive map above to connect with educators in your area and participate in exciting events.

Get in Touch: Have questions about GEGs? Contact us at gfe-communities@google.com.

“I joined a GEG to [connect with] a network of tens of thousands of other certified educators around the world. I can send a message to one of my groups...to learn how other educators are doing [activities] in their classrooms.”

Donnie Piercey, Social Studies Teacher and Technology Integration Specialist, Eminence Independent School
