MORE INFORMATION

NOTE:

The FOMC was preceded by the Open Market Policy Conference (1930-1933) and [Open Market Investment Committee](#) (1923-1930).

A summary of the various reports from the Federal Open Market Committee since 1935 is available at the [FOMC website](#).

For more information on the FOMC Meeting Minutes, when and how minutes are published and what information is available, please see "[Background on the FOMC Meeting Minutes](#)" from the Spring 2005 Federal Reserve Bulletin.

For more information on how to read a FOMC statement, see this Feducation Video from the St. Louis Fed. <https://www.stlouisfed.org/education/feducation-video-series/episode-4-understanding-an-fomc-statement>

[Greenbook data sets](#) are available from the Federal Reserve Bank of Philadelphia.

Preceding each FOMC meeting, the FOMC Secretariat distributes to the Committee memos covering a range of subjects. A selection of these memos has been released by the FOMC in response to FOIA requests. Unless a memo explicitly states that it is related to a particular meeting, memos are associated to the next regularly scheduled meeting.
