📄 A New Chapter for Osborne – Now Open in North West United Kingdom!

June marked an important milestone in Osborne's journey as we officially opened our first UK office in the Northwest of England during the recent [Enterprise Ireland](#)-led trade mission to Manchester.

Surrounded by Minister [Niamh Smyth](#) TD, [Jenny Melia](#), CEO of Enterprise Ireland, [Cillian Okelly](#), Consul General of Ireland to Manchester and Councillor [Bev Craig](#), Leader of Manchester City Council, Osborne Owner & CEO, [Shona McManus MBA, Dip IOD](#), was delighted to officially 'cut the ribbon' on our Manchester operation alongside [Ben Toynton](#) who recently joined Osborne as the Recruitment & Business Manager for the [Osborne Recruitment UK](#) Manchester branch.

For many years, we've had the privilege of partnering with organisations operating across both Ireland and the UK as well as the UK. Opening our Manchester office is the next step in our journey to be even closer to our clients and candidates, better able to deliver the best talent solutions that Osborne can offer.

Located in the heart of the UK's fastest-growing cities, the new Manchester office, which is the first of its kind, supports our operations, supporting the company's mission of providing the best talent solutions that Osborne can offer.

A special thank you to all who supported us in our launch in the United Kingdom.
