safe and secure digital environment for children, schools, and families.

“We are honored to have received the iKeepSafe Privacy Certification for COPPA and FERPA,” said Dr. Larry D. Teverbaugh, Founder and CEO of CareerSafe. “The iKeepSafe certification recognizes our commitment to creating a safe and secure environment for the students, teachers, parents, and individuals who use our online training content to better prepare them for success in the workplace. Achieving this nationally recognized certification is another important step in our ongoing mission to protect the privacy of our users.”

FERPA (Family Educational Rights & Privacy Act) gives confidence to educators and parents that student data is safe with CareerSafe. COPPA (Children’s Online Privacy Protection Act) assures parents and teachers that CareerSafe is compliant. CSPC (California Student Privacy Certified) builds on iKeepSafe’s FERPA Assessment and COPPA Safe Harbor, which help educators and parents find products that meet the expectations of federal privacy laws.

CareerSafe was conceived from a simple vision that No Job is Worth a Young Worker’s Life. Advanced through the hard work of CTE educators and professionals alike and

###

About iKeepSafe: The Internet Keep Safe Coalition (iKeepSafe) certifies digital products as compliant with state and federal requirements for handling protected personal information. iKeepSafe helps organizations achieve and maintain compliance through product assessments, monthly monitoring, annual training, and assistance with remediation. Governors, First Spouses, and State Attorneys General from throughout the United States joined with law enforcement agencies, and child safety advocates in the formation of the Internet Keep Safe Coalition (iKeepSafe) a national effort promoting the safe and healthy use of technology. iKeepSafe was founded by Jacalyn S. Leavitt, former First Lady of Utah, in 2005. Over the past decade, iKeepSafe has evolved into a leading organization trusted internationally by families, educators, and industry.
