1,2> <Crash Landing on You> <It's Okay to Not Be Okay> and a number of series have made it into the list, and these works were invited and nominated in international events including Canneseries and International Emmy Awards. This is how we are spreading the joy of K-DRAMA around the world. Also, we are expanding our business to the world. Starting with the first order for Apple TV+ <The Big Door Prize> series with Skydance Media, we are taking a leap forward as a major global studio by conducting various global projects with leading partners around the world.

✧ Celebrating the 4th Anniversary of the drama of your lifetime ✧

[#AlchemyOfSouls](#) ✂

Studio Dragon's fantasy romance [#AlchemyOfSouls](#) unfolds in the magical nation of Daeho, where a forbidden spell alters the destinies of those bound by fate.

Naksu, a feared assassin whose name leaves a trail of destruction, performs the forbidden alchemy of souls to escape

death—only to awaken in the fragile body of Mu-deok, a blind servant girl. There, she crosses paths with Jang Wook, the rebellious heir of the prestigious Jang family who carries secrets of his own. As he asks her to teach him the skills she once mastered, the two become entangled in a journey that will challenge the fate written for them. Blending breathtaking action, unforgettable characters, and heart-stirring romance, the series tells a story of souls searching for who they are meant to become.

Return to Daeho, where destiny is rewritten and legends are born, on [TVING](#), [Netflix](#), and [Rakuten Viki](#)!
