Cookies policy

This website uses cookies. By using this website, you agree to the terms of this cookies policy.

About Cookies

This website uses cookies, which are small text files stored on your device when you visit our website. This policy explains what information cookies collect, how we use this information, why we store these cookies, and your rights to control our use of cookies. While you can prevent cookies from being stored, this may impact website functionality.

For more general information on cookies, please visit www.aboutcookies.org. Please note that we are not responsible for the content of external websites.

Cookies on Our Website

Kriptomat utilises both session and permanent cookies. Session cookies are removed from your computer upon closing your browser, while persistent cookies remain stored on the user's computer until deleted or until they reach their expiration date. Below, you will find a list of the cookies that we use, along with their duration and purpose.

Cookie	Cookie purpose	Cookie duration	Page
PHPSESSID	System cookie	Session	kriptomat.io
__cfduid	Used to identify individual clients behind a shared IP address and apply security	1 year	kriptomat.io

The Cookies We Utilize

If you establish an account with us, we will utilise cookies for the management of the signup process and general administration. These cookies will generally be deleted when you log out. However, in some cases, they may remain afterwards to retain your site preferences when logged out.

This site offers newsletter or email subscription services, and cookies may be utilised to remember if you are already registered and whether to show certain notifications which might only be valid to subscribed or non-subscribed users.

To provide you with an optimal experience on this site, we provide the functionality to set your preferences for how this site runs when you utilise it. To remember your preferences, we need to set cookies so that this information can be called whenever you interact with a page that is affected by your preferences.

How We Use Cookies

The company employs cookies for a variety of reasons detailed above. Unfortunately, in most cases, there are no industry-standard options for disabling cookies without completely disabling the functionality and features they add to this site. It is recommended that users leave all cookies enabled if they are unsure whether they are necessary, as they may be used to provide a service that the user utilises.

Disabling Cookies

You can generally accept the use of cookies when you visit our website. If you wish to manage cookies or if you do not want to opt-in all cookies, you can manage your preferences in the Privacy Preferences below this text. You can opt-in some or all cookies, or you can opt them out. The strictly necessary cookies are mandatory for site functionality and cannot be opted out or disabled.

You can also manage your cookies by adjusting your browser settings. To learn more how to control cookie settings through your browser:

- Click [here](#) to learn more about the “Private Browsing” setting and managing cookie settings in Firefox;
- Click [here](#) to learn more about “Incognito” and managing cookie settings in Chrome.

functionality and features of this site. Therefore, it is recommended that you do not disable cookies.

You can control the cookies which cookies are saved from our website by a clicking on a button below:

Cookie Settings

You can manage your cookie preferences at any time by visiting the 'Cookie Settings' section of our website.

We process your personal data based on your consent, which constitutes the lawful basis under Article 6(1)(a) of the GDPR. For strictly necessary cookies, the lawful basis is our legitimate interest in ensuring the proper functioning of our website.

- Request the erasure of your personal data collected via cookies.
- Access the personal data we collect through cookies.
- Withdraw your consent at any time.

Third Party Cookies

When you use this website, you may also receive cookies set by third parties. Third-party cookies are used to track and measure the usage of this site. We also use different social media buttons and plugins on this site that allow you to connect with your social network in various ways. For these to function, the following social media sites, including LinkedIn, Twitter, Slack, Facebook, and Google+, will set cookies through our site which may be used to enhance your profile on their site or contribute to the data they hold for various purposes outlined in their respective privacy policies.

KRIPTOMAT also uses Google Analytics to analyse the use of the KRIPTOMAT website. Google Analytics generates statistical and other information about website use by

For more information on Google Analytics cookies, please refer to the official Google Analytics page.

From time to time, we test new features and make subtle changes to the way that the site is delivered. When we are still testing new features, these cookies may be used to ensure that you receive a consistent experience while you are on the website, while ensuring we understand which optimisations our users appreciate the most.

As we sell services, it's important for us to understand statistics about how many of the visitors to our site make a purchase and, as such, this is the kind of data that these cookies will track. This is also important to you, as it means that we can accurately make business predictions that allow us to monitor our advertising and product costs to ensure the best possible price.

By using our Site, you are agreeing that we may use cookies for the purposes set out above.

GDPR Consent Mechanism

In accordance with the General Data Protection Regulation (GDPR), we require explicit consent from users before storing non-essential cookies. When you visit our website, you will be presented with a cookie consent banner that allows you to accept or reject non-essential cookies. You may also manage your cookie preferences at any time through the Cookie Settings section.

More Information

We hope this information has been helpful. As mentioned previously, if you are unsure whether you need a particular cookie, it is generally safer to leave it enabled. This will ensure that Kriptomat's features continue to operate correctly.
