Practice phonology

MORFA-S

Practice morphology

MORFA-C

Practice morphology
in context

Oahpa is an internet program for learners of Võro. The program can be adjusted to different topics and levels of difficulty, and it generates new task sets automatically.

NB! This is a test version. The games Leksa, Numra and Fona are working properly but Morfa-S and Morfa-C can still contain some errors.

Võro - Estonian web dictionaries:

synaq.org (Võro - Estonian - Võro)

sonad.oahpa.no (Võro - Estonian)

Other online materials:

umakiil.eu (Phonetics and orthography of Võro)

edlv.planet.ee/meinZimmer (Exercises on Võro adpositions as Find-the-key-game)
