

Stop Bleeding Revenue to Outdated Tools.

You are paying platform taxes, fighting algorithms, and losing high-ticket buyers to clunky checkouts. Find the tool you are currently using below and see exactly what it is costing costing you.

The "Corporate Meeting" Trap

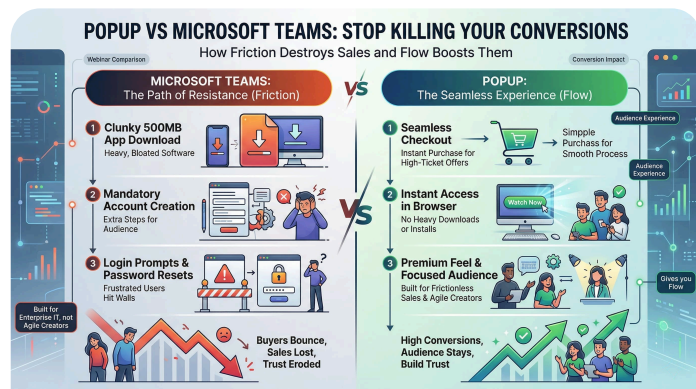

Stop sending premium buyers to a generic corporate meeting link with zero monetization.

Zoom

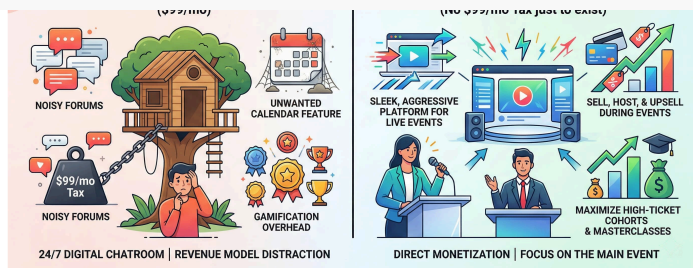

Google Meet

Microsoft Teams

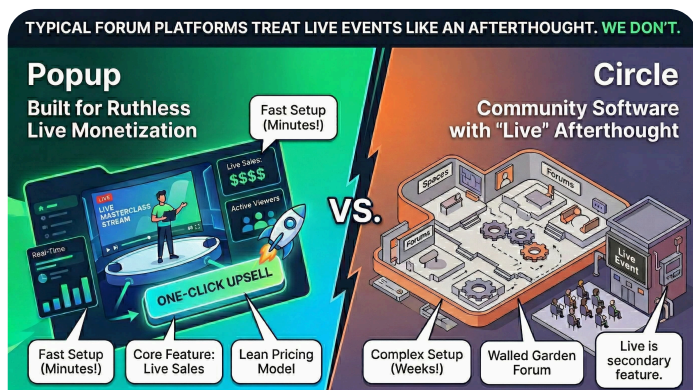

The "Walled Garden" Community Platforms

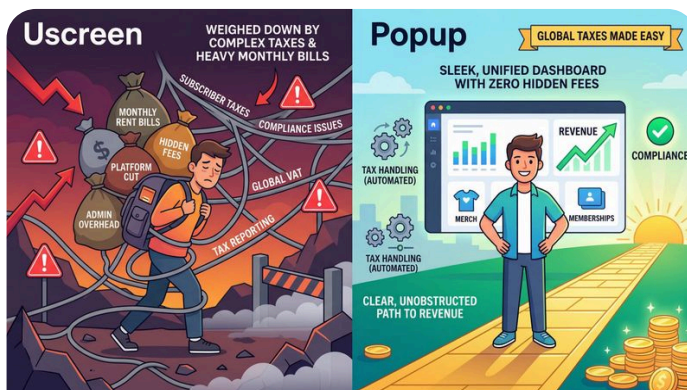

Skool

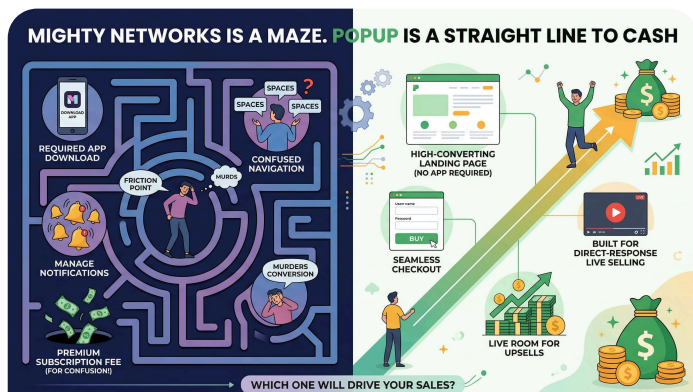

Patreon

Circle

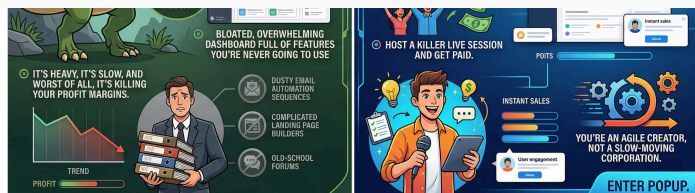

Uscreen

Mighty Networks

The "Bloated Course" Builders

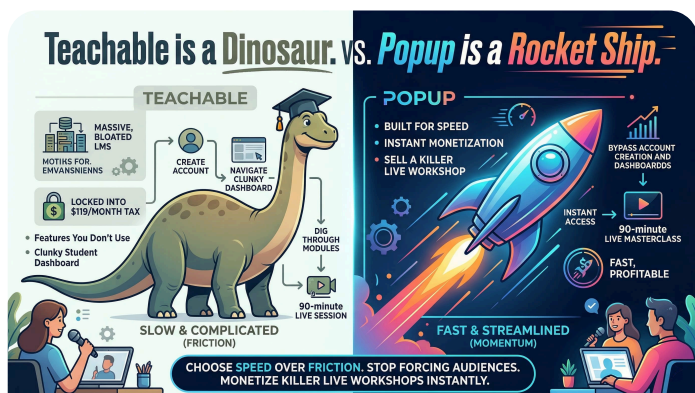

You don't need a 6-week curriculum to make money. You need a conversion engine for one high-ticket live session.

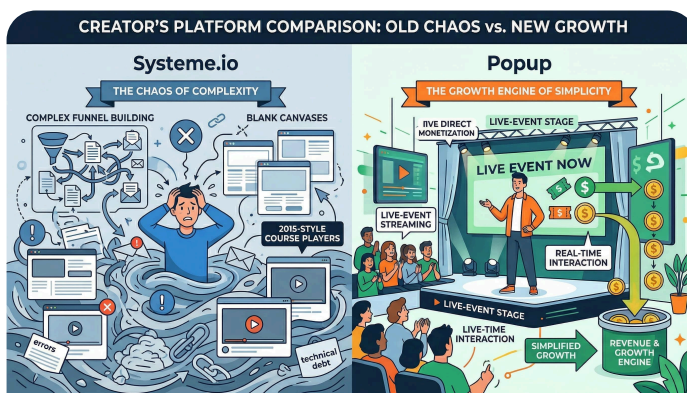

Kajabi

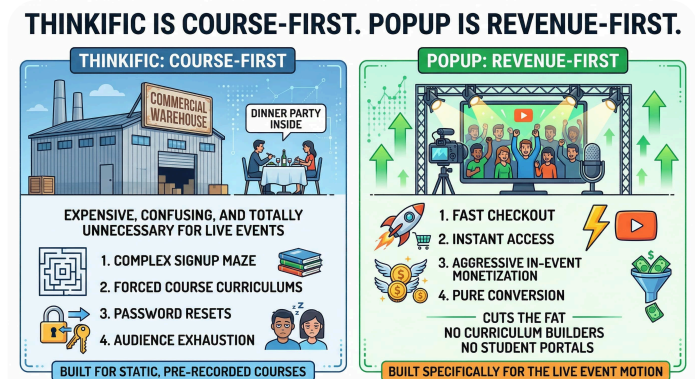

Podia

Teachable

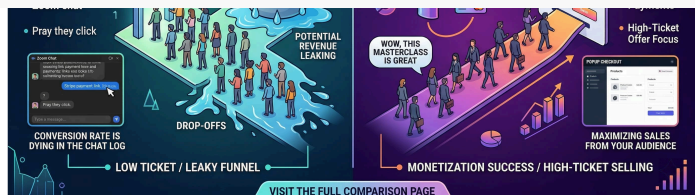

Systeme.io

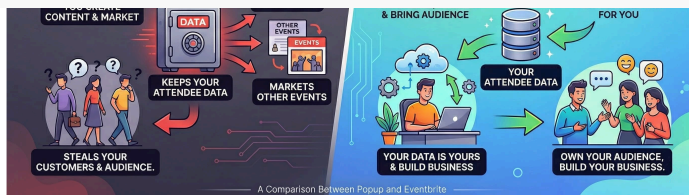

Thinkific

The "Audience Thieves"

Stop paying ticketing fees to platforms that steal your attendee data to market other people's events.

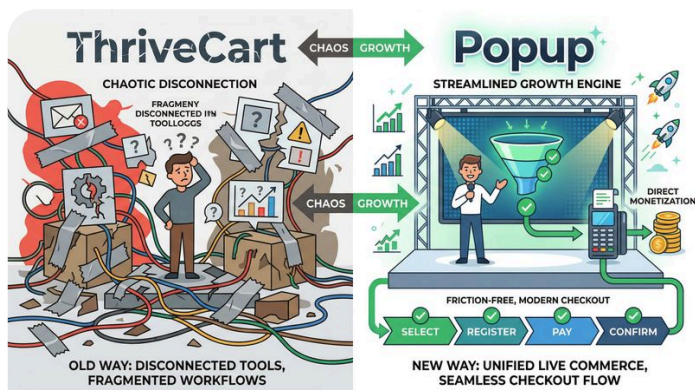

Luma

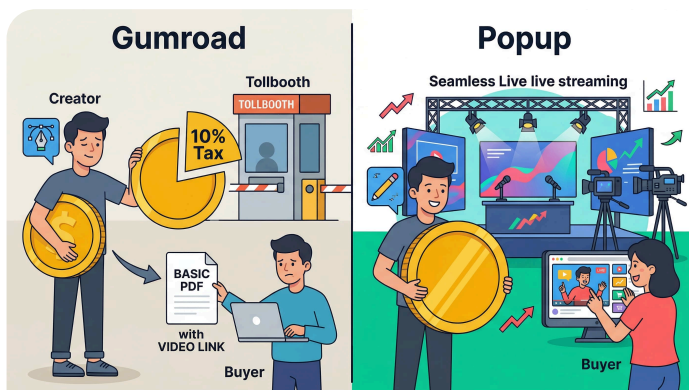

Eventbrite

The "Duct-Tape" Tech Stack

Stop paying to play IT manager. A broken Zap shouldn't cost you a high-ticket customer.

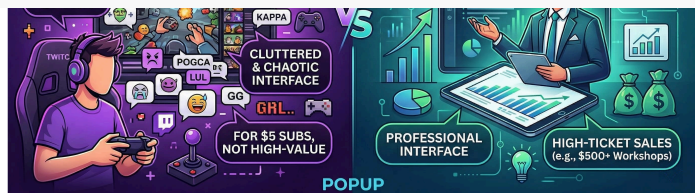

ThriveCart

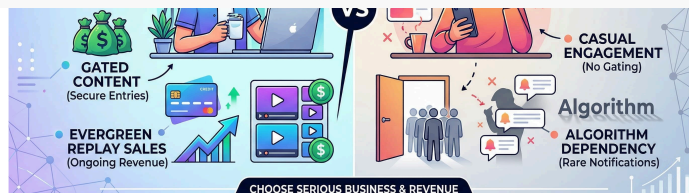

Gumroad

The "Algorithm Prison"

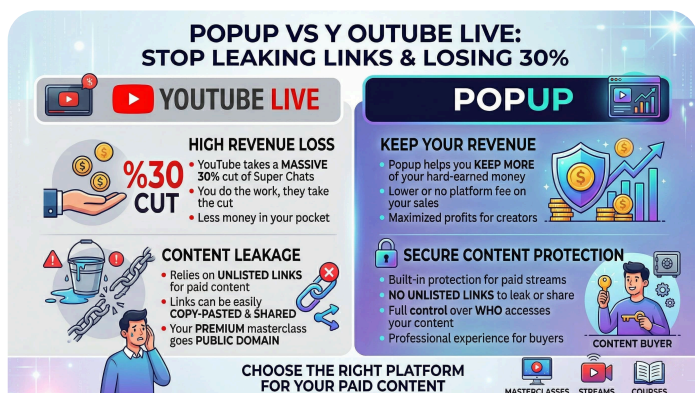

You cannot build a predictable, high-ticket business on rented land. Own your audience.

Twitch

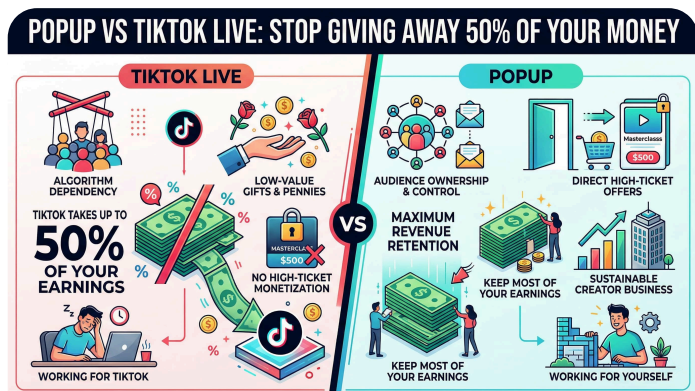

Instagram Live

Youtube Live

Facebook Live

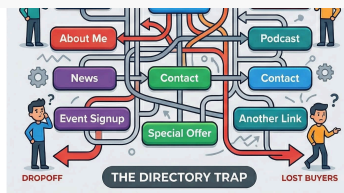

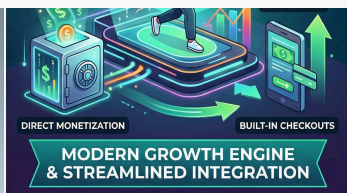

Tiktok Live

The "Link-in-Bio" Trap

Stop sending high-intent buyers to a confusing directory of links. You need a direct checkout and a premium live room, not a \$29/month digital business card.

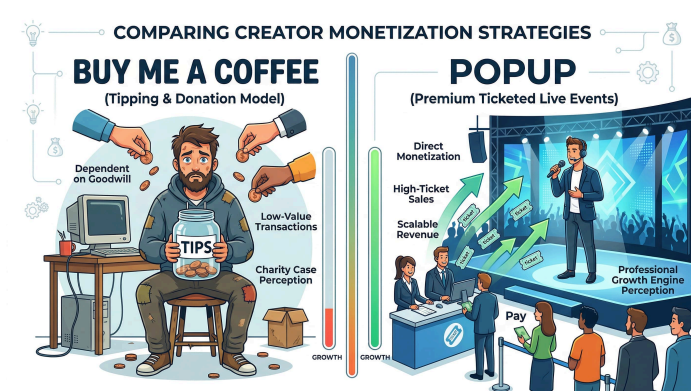

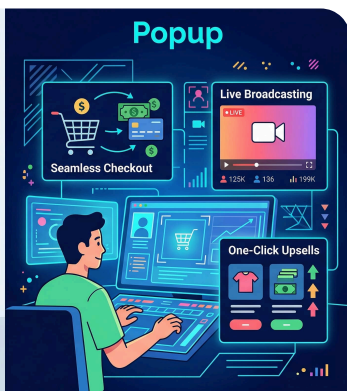

Stan Store

Linktree

Beacons

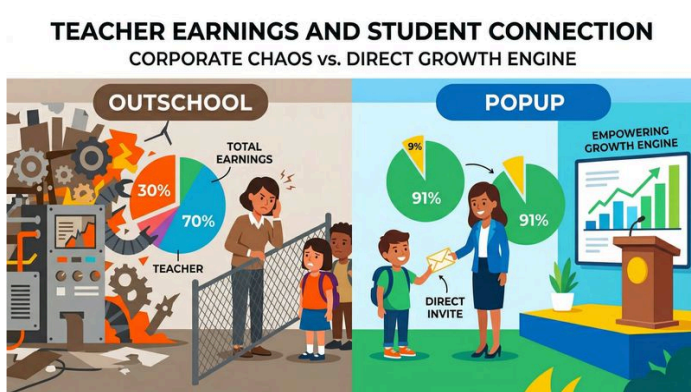

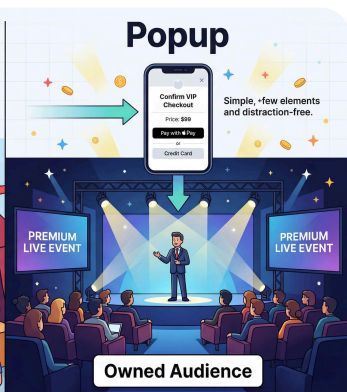

Buy Me A Coffee

The "Marketplace" Meatgrinder

Stop paying a massive success tax to platforms that actively distract your buyers with competing creators. Own your checkout and keep the revenue you earn.
