

CLUB TWiT REFERRAL PROGRAM

TWiT offers a referral program that allows existing [Club TWiT](#) members to earn credits toward future membership payments. As a valued member, you can earn credits towards your membership fees by referring new Club TWiT subscribers.

How It Works

For every new member who signs up for a paid Club TWiT account using your unique referral code, you'll earn one month of Club TWiT free! That's \$10 in credit toward your membership for each successful referral.

Getting Started

1. **Log In:** Access your [Club TWiT member account](#).
2. **Find Your Link:** Navigate to the "[Referrals](#)" menu to locate your unique referral link.
3. **Share Your Link:** Send it to friends, text it to family, or post it on social media. Spread the word!
4. **Earn Rewards:** When someone uses your link to sign up for a paid membership, you'll receive \$7 in credit toward your own Club TWiT membership.

You can earn credit for up to **12 referrals**, allowing you to enjoy a full year of ad-free podcasts, access to the Club TWiT Discord, and the TWiT+ bonus feeds!

Important Details

- **Eligibility:** You must have an active, recurring Club TWiT subscription to participate.
- **Credit Limits:** You can earn a \$10 credit for each referral, up to 12. You are welcome to continue to refer people to Club TWiT, but will not earn additional credit beyond 12 new members.
- **Membership Types:** Referral credits are earned for new sign-ups to the monthly or annual plans for Club TWiT, Club TWiT Family Plan, or Club TWiT Corporate Plan. Note that single-show subscriptions are *not eligible*.
- **Referral Code Usage:** Make sure anyone you refer uses your unique code. If they sign up without it, you won't receive credit.
- **Exclusions:** No referral credits are given for accounts created using discount codes or for accounts gifted to TWiT hosts, staff, or contributors.

Frequently Asked Questions

1. How do I track my referrals?

You can monitor your referral credits and see how many new members have signed up through your link in your member account's "Referrals" section.

2. What happens if my referral cancels their membership?

If a referred member cancels their subscription, your referral credit remains unaffected as long as they initially signed up using your link.

3. Can I refer myself or my family members?

No! You can share your referral link as many times as you like. However, credits are capped at 12 referrals.

No, each referral is only good for the equivalent of one month of Club TWiT membership. If someone signs up for an annual plan, you will not get credit for a year.

6. What if my referred member has an issue with signing up?

If your referral encounters any issues, they should reach out to Club TWiT Mem

Please Note

Any referrals beyond 12 will not earn additional credit. Referral credits are non-transferable and cannot be exchanged for cash and can only be applied toward Club TWiT plans. Any fraudulent activity or abuse of the referral program may result in disqualification and forfeiture of earned credits. TWiT reserves the right to modify or terminate the Referral Program at any time without prior notice. Any changes will be communicated through official channels.
