Description

Need to Know Box adds a stylish, journalism-inspired summary box to your content. It uses a distinctive “double border” and hatched shadow effect that grabs reader attention immediately.

It is perfect for:

- * **News Sites:** Highlighting the key facts of a story.
- * **Blogs:** Adding a “TL;DR” (Too Long; Didn’t Read) section at the top of long posts.
- * **Reviews:** Listing Pros and Cons or quick specs.

Features

- * **Block Editor Support:** Fully integrated with Gutenberg.
- * **Shortcode Support:** Works with Classic Editor using `[need_to_know_box]`.
- * **Global Customization:** Change the accent color (bullets/links) to match your brand.
- * **Font Inheritance:** Automatically adopts your theme’s font for a seamless look.
- * **Adjustable Text:** Font size slider included in the block settings.

Blocks

This plugin provides 1 block.

Need To Know Box
