on an ongoing basis.

Top questions about Work Insights

How do I access Work Insights?

Admins for Workspace Enterprise can access Work Insights at apps.google.com/workinsights.

Does Work Insights enable admins to monitor an individual's activities?

No. Work Insights does not include the ability to drill down and see any individual's activities.

To protect the privacy of users, team reports and organizational insights are only available for teams of 10 people or more.

Is Work Insights the same thing as Admin Reports?

No, Work Insights surfaces aggregate organizational insights on product adoption, work patterns, and team-to-team collaboration.
