Why use Facebook Messenger in Opera?

The Facebook Messenger app is built into the Opera browser sidebar for easy access while browsing. Chat with your Facebook friends in Messenger without switching apps, tabs or devices.

Messenger is built into Opera

There's nothing to download. The Facebook Messenger app is already integrated into the Opera browser on desktop.

It's easy to chat while browsing

The Messenger desktop app is right in Opera's sidebar. Just click to use Messenger without leaving your browser.
