Benefits of Tab Islands

Got lots of tabs? Save space, keep organized, and switch contexts easily with Tab Islands.

Automatic

New tabs automatically start a tab island at the top of the Opera browser. You can also click the + button to instantly start a fresh tab group.

Organized

Every island features a customizable name and distinct color tag. Click the handle to collapse the group, saving space so you can focus better.

EXPLORE MORE

All browsers should be this easy

Tab Islands is such a simple and intuitive way to group tabs and keep your browsing organized, you'll never again be overwhelmed by tabs.

Tab Islands arranges your tabs into groups by browsing session, so that related tabs are naturally grouped by context. Shop, research, work, relax - switch between tab groups in one click and stay focused.
