AMERICAN
HERITAGE®

dictionary

of the
English
Language

HOW TO USE THE DICTIONARY

To look up an entry in *The American Heritage Dictionary of the English Language*, use the search window above. For best results, after typing in the word, click on the “Search” button instead of using the “enter” key.

Some compound words (like *bus rapid transit*, *dog whistle*, or *identity theft*) don’t appear on the drop-down list when you type them in the search bar. For best results with compound words, place a quotation mark before the compound word in the search window.

THE USAGE PANEL

The Usage Panel is a group of nearly 200 prominent scholars, creative writers, journalists, diplomats, and others in occupations requiring mastery of language. Annual surveys have gauged the acceptability of particular usages and grammatical constructions.

too  (t)

Share: [Tweet](#)

adv.

1. In addition; also: *He's coming along too.*
2. More than enough; excessively: *She worries too much.*
3. To a regrettable degree: *My error was all too apparent.*
4. Very; extremely; immensely: *He's only too willing to be of service.*
5. *Informal* Indeed; so: *You will too do it!*

[Middle English *to*, from Old English *tō*, *to*, furthermore; see **de-** [in the Appendix of Indo-European roots](#).]

Usage Note: Some people object to the use of *not too* as an equivalent of *not very*, as in *She was not too pleased with the results*. In many contexts this construction is entirely idiomatic and should pass without notice: *It wasn't too long ago that deregulation was being hailed as the savior of the savings and loan industry. It was not too bright of them to build in an area where rock slides occur*. In these cases *not too* adds a note of ironic understatement. · Negation of *too* by *can't* may sometimes lead to ambiguities, as in *You can't check your child's temperature too often*, which may mean either that the temperature should be checked only occasionally or that it should be checked as frequently as possible.

Indo-European & Semitic Roots Appendices

Thousands of entries in the dictionary include etymologies that trace their origins back to reconstructed proto-languages. You can obtain more information about these forms in our online appendices:

[Indo-European Roots](#)

[Semitic Roots](#)

The Indo-European appendix covers nearly half of the Indo-European roots that have left their mark on English words. A more complete treatment of Indo-European roots and the English words derived from them is available in our [Dictionary of Indo-European Roots](#).
