HOW TO USE THE DICTIONARY

To look up an entry in *The American Heritage Dictionary of the English Language*, use the search window above. For best results, after typing in the word, click on the “Search” button instead of using the “enter” key.

Some compound words (like *bus rapid transit*, *dog whistle*, or *identity theft*) don’t appear on the drop-down list when you type them in the search bar. For best results with compound words, place a quotation mark before the compound word in the search window.
