Did you know that you can get an instant definition of any word on this page, just by double-clicking on it?

Try it now! Double-click on any of the following words to see the definition: *a, opt, psychology, stop, walk*.

You can also look up phrases, such as *a bite to eat*. Just use your mouse to highlight the phrase and click on the word **Definition** when it appears.

You can add this functionality to your site as well — follow the instructions:

1. Make sure your site uses the latest version of jQuery. If you are not using jQuery, you can download it from jquery.com. You will then need to call the jQuery javascript file from the head of your HTML pages.

```
<script language="JavaScript" type="text/javascript">
