

Help: Tools

TheFreeDictionary's content is divided into tabs. Each tab represents search results from a different dictionary or encyclopedia. You can see the results of your search in different dictionaries by switching between the tabs.

Free Tools for Surfers

Access TheFreeDictionary from Anywhere

TheFreeDictionary offers several options for convenient, free access to its contents and search features.

Desktop Assistant for Windows

This software allows you to instantly access TheFreeDictionary's definitions and encyclopedia entries by selecting any word or phrase on your screen with one click. Learn how to download and install the desktop assistant [here](#).

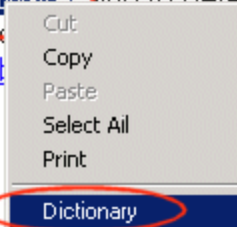

Right-Click Browser Add-On

Browser add-ons — also known as extensions — are mini-programs that enhance the default functionality of your web browser.

Add-On For Internet Explorer

For Internet Explorer users, TheFreeDictionary offers a browser extension that allows you to access the definition of any word on the web from right inside your browser with a "Dictionary" option that is added to your right-click menu.

Directions:

Open the browser and navigate to any web page.

Select (or double-click) any word.

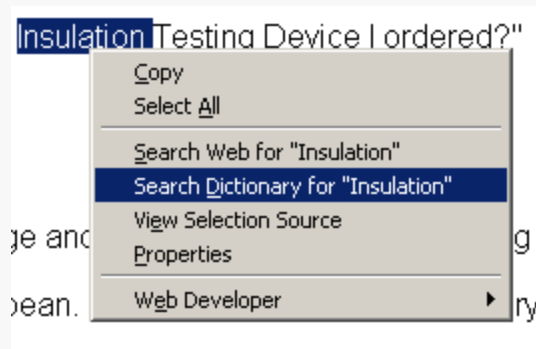

Right-click and select "Dictionary" in the menu.

The definition will be presented in a new browser window.

Extension For Mozilla Firefox

For Mozilla Firefox users, TheFreeDictionary offers a dictionary search extension that enables you to quickly find definitions of words on any webpage or in any email.

Select the word you want to look up, then right click and select "Search Dictionary for ...". A new tab or browser window will open with the meaning of the word you selected.

The right-click Firefox extension is available at dictionarysearch.mozdev.org or addons.mozilla.org/extensions/moreinfo.php?id=68.

Free Daily Content

Our free "Infotainment" content is updated daily, and you can read it without visiting TheFreeDictionary.com.

Daily Content on The Desktop

You can read [Word of the Day](#), [This day in History](#), [Today's Birthday](#), [Quotation of the Day](#), and [Article of the Day](#) right from your desktop using the Windows Active Desktop. This feature does not require you to install any software in your computer.

Daily Content by Email

You can sign up to receive free daily content ([Word of the Day](#), [This Day in History](#), [Today's Birthday](#), [Quotation of the Day](#), and [Article of the Day](#)) in your inbox each morning.

We at TheFreeDictionary are concerned about email spam. We therefore do our very best to ensure that you never receive unwanted emails from our site. You will receive a confirmation email to make sure that you are truly interested in receiving [Daily Infotainment](#), and you can also opt out of the email by clicking the "Unsubscribe" link that appears on the bottom of every email:
